REQUEST FOR CERTIFICATE OF CORRECTION
PURSUANT TO 37 CFR §1.322

S I R:

Transmitted herewith is a Certificate of Correction for U.S. Patent No. 7,056,836 ("Patent") issued June 6, 2006. Upon reviewing the listing of the inventor in the heading of the Patent, the patentee noted an error in the inventor's name which should be corrected as follows:

IN THE HEADING, IN THE LISTING OF THE INVENTOR (ITEM 75):

Change "Hitomi Watanabe" to --Hitomi Sakurai--.

REMARKS

In a Response to Notice to File Missing Part of Nonprovisional Application filed on October 22, 2003 (Response), applicant's attorney notified the Patent and Trademark Office that applicant's name was incorrectly listed on the transmittal letter accompanying the application at the time of filing as **Hitomi WATANABE**. Applicant's attorney further notified the Patent and Trademark Office that the correct name of the applicant is **Hitomi SAKURAI**. A copy of the October 22, 2003 Response is attached herewith. Applicant's attorney further requested that the PTO correct their records to reflect this information and that all future communications from the PTO list the applicant as "**Hitomi SAKURAI**".

Subsequent to the filing of the Response, all subsequent communications from the PTO correctly listed the applicant as "**Hitomi SAKURAI**", however, the patent printed with the wrong inventor surname (i.e., "WATANABE" instead of "SAKURAI").

This Certificate of Correction is being made to correct the name of the inventor in the heading of the patent (item 75) by changing "**Hitomi Watanabe**" to --Hitomi Sakurai--.

OCT 22 2008

Since the error in the listing of the inventor in the heading of the patent was due to a PTO mistake, no fee is due (35 U.S.C. §254).

Favorable consideration and granting of this request together with issuance of a Certificate of Correction are respectfully requested.

Respectfully submitted,
